

## **Belmont Patio Party at Scioto Downs**

Can Big Brown win the Triple Crown?

Millions of people around the world will be watching to see if he can make history on Saturday in the Belmont Stakes, the third leg of the Triple Crown. The only place to watch and wager on the Belmont this Saturday is at Scioto Downs.

Scioto is hosting a special Belmont Patio Party on Saturday for racing fans who want to share this special event with their friends. You can enjoy a festive picnic buffet and get free programs for Belmont Park and Scioto Downs, and party all night on the patio---all for just \$20. This is a rare opportunity to be part of racing history.

Scioto will have a special 5:30 p.m. post time for live racing on Saturday, but you can come out early and bet the entire Belmont program on simulcast. Then stay around for the exciting Saturday night live action on the track.

Big Brown will certainly be a heavy favorite to win the Belmont, but there is no such thing as a sure thing in horse racing. If you pick a horse that upsets him, you're sure to cash in big at the mutuel window. Do you think one of the other horses in the field is capable of springing the upsets we've seen so often in the Belmont?

This Saturday is sure to be a memorable day in racing and you can watch and wager on all the action only at Scioto Downs.
